FINAL ORDER

The parties appeared for a telephonic status conference on January 25, 2002, and reported that the Department of Mental Health (“DMH”) and Petitioner Peggy Harris had conducted an informal conference concerning the discharge notices that remain at issue in these consolidated cases. As a result of that conference, DMH has decided to rescind the notices of discharge.

Petitioners, therefore, have achieved the result they have sought in this matter and there is no further need for any action by an administrative law judge.

Accordingly, it is, this _____ day of _____, 2002:

ORDERED, that the Motion to Quash Notice of Discharges and Dismiss the Cases filed on January 25, 2002 on behalf of Petitioners Michael Brooks, Ronald McCray and Calvin Morsell is **DENIED AS MOOT**; and it is further

ORDERED, that these cases are **DISMISSED AS MOOT**.
